DETAILED ACTION

Reissue Applications

The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following: The specific changes/amendments to the claims must also be identified in detail in the declaration, in addition to the errors in the original claims. It is to be noted that the error is not recited in terms of what is wrong with the patent claims. It has to be recited as to what the error is with the patent, not what is being done to correct it.

Claims 1-138 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

The nature of the defect(s) in the reissue declaration is set forth in the discussion above in this Office action.

Response to Arguments

Applicants' arguments filed in the Remarks of the Response dated May 8, 2007 have been fully considered but they are not persuasive. Contrary to Applicant's arguments, the Supplemental Reissue Declaration filed on May 8, 2007 and filed on July 31, 2007 is defective for the reasons noted supra.

Conclusion

Applicants' amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
